At this time, Preferred Development is implementing the necessary steps to protect ourselves, our customers, our loved ones and our community. We sincerely appreciate your business and apologize for any inconvenience.

Effective immediately, we are eliminating all walk-in traffic. Although our office will still be operating during normal business hours and be present at the office, we ask that you call or email us rather than come in.

All office visitation will be handled on a case by case basis.

For keys or checks, please call ahead and we can meet you at the door.

Please note that our team members are still visiting your space to disinfect, clean and asking if you need any assistance with anything while trying to maintain our usual work requirements.

We welcome your comments and feedback that will help us enhance the environment at The North Mall Plaza.

If you have any questions, please feel free to contact us.

We appreciate your cooperation as we are dealing with the "new normal".
